About Us. Spanish, English, and Foreign Languages for America (SEFLA) is a language institute that offers quality language programs and services in response to the growing trend towards multilingualism in San Antonio and around the world. My book *Becoming an Outstanding Languages Teacher* and *The Language Teacher Toolkit*, a handbook by Steve Smith and Gianfranco Conti are available now. Language-related articles. This is a section for articles about language, languages, linguistics, translation, interpreting, lexicography, writing, learning languages ... There are a number of teaching bursaries on offer each year to talented students who would love to teach the youth in South Africa. These bursaries for teaching and education are offered to students needing financial aid to gain great qualifications and become a teacher in specialized subjects. - *Becoming An Outstanding Languages Teacher*
