

# Download Big, Crazy And Disruptive Ideas

Seventy t-shirt activism and crowdfunding. Aaron Chavez and Dale Partridge are the founders and operators of Seventy. This is a social business that uses t-shirts to raise money for charities, drive social awareness and crowdfund ideas all at the same time. One of the most important and blazingly original writers of his generation, George Saunders is an undisputed master of the short story, and Tenth of December is his most honest, accessible, and moving collection yet. In the taut opening, "Victory Lap," a boy witnesses the attempted abduction of the We humans like things to stay the same. Even if we are open to change, change can be very difficult. There is nothing more disruptive than the death of someone you love, someone whose existence is ...Yes, it's just me. Readers can pick and choose what they like. It only really takes me 6-8 hours Sunday/Monday and I enjoy doing it. Hopefully you were able to enjoy some of it. - Big, Crazy And Disruptive Ideas
