The special edition of Caged in Darkness is dedicated to the many readers, who were kind enough to read the original edition. After reading reviews, I decided to begin the special edition to sate everyone's curiosity, while providing a more in depth plot. The book began by describing Savannah's dark past and then slipped into the current day. It has a unique take on witches and other supernatural creatures, which continues throughout the series. As I have read the series in it's entirety (one of the few), I think it's important to make sure everyoneBücher (Fremdsprachig) Wählen Sie die Abteilung aus, in der Sie suchen möchten.
