

Download Continental Philosophy And Philosophy Of Religion

Continental philosophy is a set of 19th- and 20th-century philosophical traditions from mainland Europe. This sense of the term originated among English-speaking philosophers in the second half of the 20th century, who used it to refer to a range of thinkers and traditions outside the analytic movement. Contemporary philosophy. Despite the tradition of philosophical professionalism established during the Enlightenment by Wolff and Kant, philosophy in the 19th century was still created largely outside the universities. Philosophy of religion is "the philosophical examination of the central themes and concepts involved in religious traditions." These sorts of philosophical discussion are ancient, and can be found in the earliest known manuscripts concerning philosophy. Main branches of philosophy. Traditionally, there are five main branches of philosophy. They are: Metaphysics, which deals with the fundamental questions of reality. - Continental Philosophy And Philosophy Of Religion
