Ask someone if they know the names of the astronauts who have walked on the Moon, and most people would be able to list Neil Armstrong, and maybe even Buzz Aldrin. Keith John Moon (23 August 1946 – 7 September 1978) was an English drummer for the rock band the Who. He was noted for his unique style and his eccentric, often self-destructive behaviour. My daughter and I... Our saying to each other: "I Love you to the Moon & Back" This past June she sent me a picture of this book and the caption said "I think your new grandson/granddaughter will need this book!" Why star leaders like Tapas Pal, Moon Moon Sen are a cause of concern for Mamata Banerjee 6 Jul, 2014, 11.02AM IST. As the recent Tapas Pal incident shows, Mamata's increasing dependence on actors in political roles has begun to backfire. - Daughter Of The Moon (The Moon People, Book Two)
