Stephen Fry presents this documentary exploring the disease of manic depression; a little understood but potentially devastating condition affecting an estimated two percent of the population. Forward: Although this depression treatment by magnesium essay was written originally to address the role of magnesium as a depression treatment, the role of magnesium deficiency as cause of vast other morbidity and mortality is also addressed. Bipolar Disorder, formerly known as manic depression, is a disorder of the brain that results in shifts in mood, activity, energy, and day-to-day functionality. Reminder. Bipolar spouses can be trapped in a cycle of “acting crazy” and knowing it, creating stress that just triggers more mania and/or depression. - Depression Cure For Manic Depression The Open Secret To Being Bipolar Depression Free For Life With
