

# Download Europe - A Personal Tour

Skip the hassle of planning—and the lines along the way—on this private tour of Barcelona's heritage, architecture, and gastronomy that combines a walking tour with taxi rides to top destinations. Ideal for first-time visitors who want to squeeze all the highlights into one day, traveling with a personal guide lets you maximize your time and discover parts of the city you would likely miss on your own. Let European Focus be your guide for private tours in Europe! We guide small group tours with your itinerary, not a rushed bus tour vacation. We guide small group tours with your itinerary, not a rushed bus tour vacation. Enjoy a chauffeured trip with your private guide in the comfort of our limousine. We offer private Europe tours for couples or Europe tours for small private groups up to 6 persons. Your driver-guide is fluent in English and can communicate easily in all languages of the countries included in your itinerary. Private Guides directory offers more than 2100 private tours to choose from. Step back in time and see the Coliseum in Rome, Italy with your own private guide. They can provide details and show you things you won't find in a book. - Europe - A Personal Tour
