

Download M Is For The Schooner Mary Day

Book Your Windjammer Cruise. How to book: You have 2 options when you are ready to book your windjammer cruise. Make your reservation by calling the office to speak with Jen about what cruise and cabin will best fit your needs. The Mary Day, launched in 1962, was the first coasting schooner built specifically for the windjammer trade, and as such, offers roomier accommodations than most tall ships. Cabins have nine feet of headroom, and feature skylights and windows that provide fresh air and sunshine. Sail a Historic Schooner. Schooners were the tractor trailer trucks of the 19th century. Built specifically for windjammer cruises Mary Day transports us back in time to a simpler way of life. Schooner Mary Day - Atlantic Ave, Camden, Maine 04843 - Rated 4.9 based on 56 Reviews "We are headed for our 4th voyage with Captain Barry and his... - M Is For The Schooner Mary Day
