

Download Nigerian Immigrants In The United States

According to the US census bureau, Nigerian immigration to the US began in the 1920s, when Nigerians started attending American universities. This pattern largely held until the 1967-70 Nigerian civil war when many chose not to return, forming the first wave of Nigerian immigrants. Nigerian Immigrants in the United States: Race, Identity, and Acculturation | Ezekiel Umo Ette | ISBN: 9780739170397 | Kostenloser Versand für alle Bücher mit Versand und Verkauf durch Amazon. According to a data provided by Rice University in Texas, Nigerian-Americans are the most educated ethnic group in the United States. According to the Migrations Policy Institute 29% of Nigerian-Americans have graduate degrees (compared to 11% of the overall American population). President Donald Trump has added Nigeria, Africa's most populous nation, to a list of countries whose residents face restrictions on travel into the United States. With the new policy set to take effect on Feb. 22, here are some fast facts about Nigeria and its immigrants in the U.S., based on previously published Pew Research Center studies. - Nigerian Immigrants In The United States
