IGN is the leading site for Xbox games with expert reviews, news, previews, game trailers, cheat codes, wiki guides & walkthroughs. If a group violates a standard, the release will be nuked. Another group will often proper the release. This proper usually requires a sample or a detailed explanation to prove the flaw in the material, unless the flaw was clear enough for the release to be nuked at releasing time. The last one left with anything on wins. Jenna Sativa s got her game face on and Gabriela Lopez has brought a list of the dirtiest jokes of all time. - Tom Clancys The Division Unofficial Game Guide
