This article is adapted from Date-Onomics by Jon Birger (Workman Publishing Company, 2015) The dating game is rigged, but the problem is not strategic — it's demographic. In the first few casual dates, prior to any discussion of exclusivity or commitment, both men and women are guilty of blowing off a romantic interest. Of the single women who want to marry men who help with household chores, the largest percentage came from Chennai (81%), a city which also drew the largest percentage (96%) of men who believe ...3. They generally do not date women in their own age bracket. "The average 60-year-old woman dates 68-year-old men (and there are very few bachelors still alive and dating in this age bracket). - What To Say To Men On A Date
