Youth culture is the way adolescents live, and the norms, values, and practices they share. Culture is the shared symbolic systems, and processes of maintaining and transforming those systems. What do we mean by “youth”? “Youth” is best understood as a period of transition from the dependence of childhood to adulthood’s independence and awareness of our interdependence as members of a community. Native Youth and Culture Fund (NYCF) First Nations launched the NYCF in 2002 with generous support from Kalliopeia Foundation and other foundations and tribal, corporate and individual supporters. Inclusion in action. Driven to create, inspired to spark change. Meet the women and girls who are driven to think big, take risks, and create. They take on challenges, from the everyday to the epic, sparking meaningful change for all. - Youth Culture And Social Change
