

Download Aural Skills For Conductors

Become a Participant. The perfect place and time to discover new perspectives and open new doors. Distinguished artist-mentors lead a unique program of conducting, score-study, aural skills, movement & expression, while developing greater leadership attributes and musicianship. Coincident Speaker Technology Statement Series Cable White Paper. CST Advanced Technology- The Latest Breakthrough. To celebrate Coincident Speaker Technology 20th Anniversary, we are thrilled to announce the Statement Series – A breakthrough in cable technology and performance. MUSIC | The Sounds of Success. Extraordinary performance opportunities and personal attention from a talented, experienced faculty make Baker University's music program one of the best in the region. Music students have the advantages an intimate, small college affords plus the performance opportunities of much larger schools. Alan Leech is one of Ireland's leading tenors and choral practitioners. Since graduating from UCC in 1995 he has been in consistent demand both as a performer and choral specialist. - Aural Skills For Conductors
