Strictly speaking, this isn't a cooking-in-college cookbook. But it's a terrific book for any college kid or 20something looking for easy, delicious recipes. Most college students can't wait to get rid of their meal plan. They dream of the day they'll no longer have to drag themselves to the dining hall to eat lukewarm pizza and wilting lettuce. 10 Cookbooks Every Student Needs Know someone heading off to university this September? Skip the tins of beans - equip them with a couple of these 10 cookbooks that every student needs instead. College students are eating out less and, more and more often, their food decisions are being driven by two main things: budget and health. EatingWell marries these two trends in the new cookbook EatingWell on a Budget. - Best Cookbook For College Students
