Building-Planning-Zoning. The Master Plan for Port Huron Township was updated for 2014. To view the Master Plan, click on the links below or visit the Township Hall. Building regulations are minimum standards for design, construction and alterations to virtually every building. The regulations are developed by the UK government and approved by Parliament.. The Building Regulations 2010 cover the construction and extension of buildings and these regulations are supported by Approved Documents. Approved Documents set out detailed practical guidance on ... Welcome to the Building Program, part of the Planning and Building Division. The Building Program ensures buildings/structures are safe, by applying nationally recognized codes and County adopted ordinances through our plan check and inspection services. These standards are a vital part of Washoe County's quality of life and play a key role in maintaining minimum acceptable construction ... New South Wales Environmental Planning and Assessment Amendment (Fire Safety and Building Certification) Regulation 2017 under the Environmental Planning and Assessment Act 1979 - Building Planning Set 1
