

Download Clean Slate: A State-by-state Guide To Expunging An Arrest Record

Sealing and expungement can provide those with a criminal record the means by which to start over again with a “clean slate.” Still, though Florida allows certain criminal offenders to request expungement and record sealing, there are a number of limitations that everyone should keep in mind as they consider next steps. The National Clean Slate Clearinghouse, recently announced as part of President Obama’s reentry initiative, will “provide technical assistance to local legal aid programs, public defender offices, and reentry service providers to build capacity for legal services needed to help with record-cleaning, expungement, and related civil legal services.” ...Get this from a library! Clean slate : a state-by-state guide to expunging an arrest record. [Tom Ballinger] At A Clean Slate Florida, LLC, we specialize in the process of expunging or sealing Florida backgrounds.
