Nancy. Thanks for your feedback. Unfortunately, the blog did not allow us to report all of our analysis. In particular, we cite three UN funded surveys of the attitudes of the residents of Kiribati, Nauru and Tuvalu to climate change and migration, conducted by social scientists from New Zealand. Climate Policy Initiative (CPI), with the support of Agence Française de Développement and the Advisory Finance Group of the World Bank, have examined the risks to the economy of South Africa – and its government, municipalities, companies and financial institutions – from a global economic transition to a low-carbon economy. Climate Policy Tracker for Business (version 1.0) Explore how the Paris Agreement is impacting your business. Search climate regulation based on industry or geography. There is a strong scientific consensus that climate change is happening and that human activities have played a contributing role. The main questions today concern what steps can be taken to mitigate the warming trend and help communities and regions adapt to the present-day and anticipated impacts of the warming that already is occurring. - Climate Policy And Development
