

Download Communication: A Guide To Information Sources

Find useful sources of factual or background information for journalists and researchers. Sites are listed by category, and the emphasis is on Australian material. Nonverbal communication describes the processes of conveying a type of information in the form of non-linguistic representations. Examples of nonverbal communication include haptic communication, chronemic communication, gestures, body language, facial expressions, eye contact, and how one dresses. Nonverbal communication also relates to the intent of a message.
