

Download Company Property Of Wells, Fargo & Co's Express 1852-1918

Package delivery in the United States. In 1852 Wells Fargo, then just one of many such services, was formed to provide both banking and express services. These went hand-in-hand, as the handling of California gold and other financial matters required a secure method for transporting them across the country. - Company Property Of Wells, Fargo & Co's Express 1852-1918
