

Download Connecticut Walk Book : A Trail Guide To The Connecticut Outdoors

Sleeping Giant (also known as Mount Carmel) is a rugged traprock mountain with a high point of 739 feet (225 m), located eight miles (13 km) north of New Haven, Connecticut. The Seminar is held over a weekend, starting on a Friday at 5:00 and ending on Sunday at 5:00 with approximately 24 hours of training. Bike Walk Connecticut is dedicated to training more cycling education instructors in the state. No one dresses up for the holiday season quite like Connecticut. To find a few of the towns that show particularly scenic levels of festive spirit, we consulted the photo book, A Connecticut Christmas by Caryn B. Davis. Rolling hills and serene beauty make this an escape for a tranquil getaway. Antiques shops, art galleries, historic homes and gardens are dotted throughout the region. - Connecticut Walk Book : A Trail Guide To The Connecticut Outdoors
