From its premiere at the turn of the 17th century, Hamlet has remained Shakespeare's best-known, most-imitated, and most-analyzed play. The character of Hamlet played a critical role in Sigmund Freud's explanation of the Oedipus complex and thus influenced modern psychology. Even within the narrower field of literature, the play's influence has been strong. There is not a day that goes by each morning and even evening cloudy or not – I seen many streaks in over our NY skies! I thank Dane and your great work!
