King James Bible Dictionary - Eight of the world's greatest Bible dictionaries in one easy to use format. Eastons, Smiths, Naves, Websters 1828, Hitchcocks, Strongs, Thayers and Brown Driver BiggsLuz (almond tree).It seems impossible to discover with precision whether Luz and Bethel represent one and the same town--the former the Canannite, the latter the Hebrew, name--or whether they were distinct places, though in close proximity.Baal, geographical. This word occurs as the prefix or suffix to the names of several places in Palestine, some of which are as follows: BAAL a town of Simeon, named only in (1 Chronicles 4:33) which from the parallel list in (Joshua 19:8) seems to have been identical with BAALATH-BEER. BAALAH (mistress).a.Two terrific resources are merged into this convenient volume that features over 10,000 concise but comprehensive entries. The concordance function lets you quickly identify the exact King James quotation you're looking for, while the dictionary entries provide clear definitions and explanations of Scripture terms including persons and places. - Dictionary Of Bible Places
