JSTOR is a digital library of academic journals, books, and primary sources. Patriarch Bartholomew I of Constantinople, the "first among equals" in the Eastern Orthodox Communion, has voiced support for aspects of the environmentalist movement, as has Pope John Paul II of Rome. Fr. John Chryssavgis serves as advisor to the Ecumenical Patriarch, currently Bartholomew I, on environmental issues such as global warming. Orthodox Christian theology is generally more ...The wise use movement in the United States is a loose-knit coalition of groups promoting the expansion of private property rights and reduction of government regulation of publicly held property. This includes advocacy of expanded use by commercial and public interests, seeking increased access to public lands, and often opposition to government intervention. Page 1 2 3 4 5 6 7 8 >. Hinduism has always been an environmentally sensitive philosophy. No religion, perhaps, lays as much emphasis on environmental ethics as Hinduism. - Divine Destruction : Dominion Theology And American Environmental Policy
