Educational administration is a discipline within the study of education that examines the administrative theory and practice of education in general and educational institutions and educators in particular activities. The field ideally distinguishes itself from administration and management through its adherence to guiding principles of educational philosophy. Academic administration is a branch of university or college employees responsible for the maintenance and supervision of the institution and separate from the faculty or academics, although some personnel may have joint responsibilities. Some type of separate administrative structure exists at almost all academic institutions. Fewer institutions are governed by employees who are also involved ...UCEA Journals.
