

Download First Then Autism Sing Along Social Songs

Hi and welcome to music therapy tunes! You'll be glad you came! On this site you'll find quality songs for teaching kids of all ages – from toddlers to teens. Looking for top mobile apps for your kids with autism? We compiled all the best autism apps that have helped many special children develop communication and social skills, address sensory issues and more. With so much information out there in recent years about autism I thought it would be beneficial to get back to the basics. Much of the information in today's news usually relates to causes, treatments, and statistics. I have been concerned for quite some time about my 2 1/2 y.o. son. He has reached all of his physical milestones on time if not early. He does play with other kids when they are around, but it is not really imaginative play or play that requires cooperation with the others. - First Then Autism Sing Along Social Songs
