We did not go to Ghost Ranch. However, we thought there was a nice representation of her work in the Museum, plus biographical artifacts and a nice little movie. Our Collection. Explore our growing online collection of works by women artists. This specialized online store lets anyone who loves art order reproductions of masterpieces from The Met collection. A collaboration between expert printers and Met staff, these prints achieve a superb standard of fidelity to the original artwork. The vision of a permanent museum of art in Oklahoma City was realized in 1945, with the incorporation of the Oklahoma Art Center (now the Oklahoma City Museum of Art). The collection, which began with the collecting efforts of its predecessor, the Oklahoma Art League, includes paintings, prints, photographs, and sculptures, with strengths in European... - Georgia O Keeffe Museum Highlights From The Collection
