A doll is a model of a human being, often used as a toy for children. Dolls have traditionally been used in magic and religious rituals throughout the world, and traditional dolls made of materials such as clay and wood are found in the Americas, Asia, Africa and Europe. Although the value of his or her porcelain doll collection isn't always at the forefront of every collector's thoughts, it's probably a rare collector who doesn't think at least occasionally, "I wonder what this doll is worth?" Crissy is an American fashion doll with a feature to adjust the length of its hair. Crissy was created in the Ideal Toy Corporation's prototype department in 1968. If you're lucky enough to own a vintage doll, discovering what it's worth is probably an endeavor you wish to pursue. This price guide will be a valuable resource as you begin pricing your doll collection. - Had That Doll Value Publishing
