But all the time Hole-in-the-Wall Barrett sat teetering slowly back and forth in his armchair, staring blankly from face to face and picking his teeth. As has been said before, he was not only a villain, but a very vulgar man. The prosecutor's case was in. There was only the plea of John Barrett to be heard. The judge frowned his defiance on Barrett; the district attorney did likewise; the jury deepened its scowls; the fair mourners covered their faces and waited. Hole-in-the-Wall Barrett book.
