

# Download Homemade House Cleaning Recipes Cost Effective

By cleaning your toilet with a homemade solution, you avoid the harsh chemicals common to many commercial toilet cleaners: Hydrochloric acid is corrosive and can be harmful to the nose, throat, and respiratory tract, and chlorine bleach, another common ingredient, is not very skin- or lung-friendly either. Making homemade laundry detergent is easy, inexpensive, and effective in regular and HE washers. Save money and avoid chemicals with DIY laundry detergent. Learn which homemade laundry soap detergent is the best. HouseLogic tested three different laundry soap recipes to find out which one works the best. 9 Homemade Cleaners That Actually Work, According to Cleaning Experts. The key ingredients you need just might be hiding in your pantry. - Homemade House Cleaning Recipes Cost Effective
