In this post we are going to discuss why cars with manual transmissions sometimes have problems when it comes to shifting. The symptoms of a manual transmission that's hard to shift can almost always be narrowed down to a problem with the clutch or transmission. Stick shifts aren't dead yet, people. Proving so, here are 40 new cars that still offer a manual transmission. Read the full list at Car and Driver. The Best High Quality Rebuilt Manual Transmissions. Our facilities, located in Tallahassee Florida, house thousands of manual (standard) transmissions, transfer cases, cores and completely rebuilt transmissions.
