

Download New Comic Book Grading Company

PGX was created to meet the growing demand for professional, third-party comic book grading. Books that have been encapsulated and certified by an objective third-party grading service take the guesswork out of the grading process for both collectors and dealers. Be careful Although most comic books hold little value, many are worth thousands of dollars. "Bad actors" will use various tactics like old paper price guides to value your collection. - New Comic Book Grading Company
