William Tell Overture, composition by Gioacchino Rossini. The overture premiered in Paris on August 3, 1829, and was the introductory minutes of the composer's last opera, Guillaume Tell (William Tell). Messiah (HWV 56), the English-language oratorio composed by George Frideric Handel in 1741, is structured in three parts. The wordbook (also called libretto or text) was supplied by Charles Jennens. For the full text, scriptural references and sound samples, see Messiah on Wikisource. Messiah (HWV 56), the English-language oratorio composed by George Frideric Handel in 1741, is structured in three parts, listed here in tables for their musical setting and biblical sources. "The Masquerade Overture" is Pendragons tenth release and in my opinion the best to date. This is a real progressive melodic rock adventure. From the powerful opening track "The Masquerade Overture" to the closing "Masters of Illusion". - Overture From The Messiah
