Welcome to the Association for Physical Education. The Association for Physical Education (afPE) is the only representative PE Subject Association in the UK. Physical Education (PE) is often viewed as a marginal subject within the curriculum. And many secondary schools actively reduce PE time to make way for what are deemed more “serious” or ... The goal of the Massachusetts public K-12 education system is to prepare all students for success after high school. Massachusetts public school students are leading the nation in reading and math and are at the top internationally in reading, science, and math according to the national NAEP and international PISA assessments. The transition from primary to secondary school can be tough for children socially and emotionally. Students also do less physical activity in secondary school, and need help with this transition too. - Physical Education For Secondary School Children
