JSTOR is a digital library of academic journals, books, and primary sources. Please send to my e mail account- your points on Manipulative people need to rep myself in court case and this would be perfect to quote from- 30 years of manipulation & abuse-he won't let me go-I ...Academia.edu is a platform for academics to share research papers. In psychology, a set is a group of expectations that shape experience by making people especially sensitive to specific kinds of information. A perceptual set, also called perceptual expectancy, is a predisposition to perceive things in a certain way. Perceptual sets occur in all the different senses. They can be long term, such as a special sensitivity to hearing one's own name in a crowded ... - Psychology And Capitalism The Manipulation Of Mind
