See how smart storage solutions and chic decor transform this apartment living room into one part office and one part gathering space. These designers explain why you shouldn't play it safe (no white paint!) in a tiny room. This delicately patterned Idarica Gazzoni wallpaper with a trompe l'oeil chair rail frames the preppy, coral-hued dining room. Now this is how you light up a room. In this Parisian apartment by Studio Razavi, the dramatically large, undulating pendant opens everything up in one sweep. - Room Recipes Creative Stylish Interior
