Sciences, Beijing 10010, China 2 Graduate University of Chinese Academy ...Rediscover the rural-urban fringe
as an opportunity space based on assessments of need as a place in its own right. • Challenge urban-centric
models of urban fringe development in favour of creative opportunities that maximise benefits.How to eradicate
hunger and achieve food security remains a key developmental issue, particular in countries south of the Sahara.
Most of the empirical literature focuses on agriculture-based interventions although it is well known that rural
households have a gamut of income generating activities that constitute their livelihood. - Rural Development
