FCCLA and the Campaign for Tobacco-Free Kids (CTFK) are encouraging chapters across the nation to get involved in life-saving advocacy as we work together to Take Down Tobacco and #BetheFirst tobacco-free generation! Knocking down internal walls is one of the most common jobs undertaken by renovators and extenders alike. Removing internal walls not only opens up small rooms to create open plan spaces, but also allows natural light into otherwise dark areas of the home. President Trump's announcement on Thursday that he will likely declare a national emergency to get the money to build his wall along the U.S.-Mexico border is a huge gamble. It will surely ... Amazing timing! Even if this is an old story to you -- it's exactly what I needed to hear. In the last 2 days I've read a devotion about naming a divide or wall in a relationship and talking to someone directly. - Taking Down The Wall
