The Big Time (novella) by Fritz Leiber You can't know there's a war on—for the Snakes coil and Spiders weave to keep you from knowing it's being fought over your live and dead body. The Big Time by Fritz Leiber won the fourth Hugo Award for novel in 1958. It's my fourth stop on my read-through and so far, my least favorite. This book... frustrated me to no end, I was extremely disappointed and the back is hilariously wrong at it's description. Awarded the Hugo Award during 1958, The Big Time was published originally in two parts in Galaxy Magazine's March and April 1958 issues, illustrated by Virgil Finlay. It was subsequently reprinted in book form several times. The Big Time is a story involving only a few characters, but with a vast, cosmic back story.
