A flip book or flick book is a book with a series of pictures that vary gradually from one page to the next, so that when the pages are turned rapidly, the pictures appear to animate by simulating motion or some other change. Flip books are often illustrated books for children, but may also be geared towards adults and employ a series of photographs rather than drawings. Personalized children's books, kids music CDs, and personalized DVDs make great, unique gifts for all ages and occasions. **FREE shipping** Free Cartoon Screensavers Page 1.
