The Informed Writer: Using Sources in the Disciplines. The Informed Writer, offered here in its first open-access edition, addresses a wide range of writing activities and genres, from summarizing and responding to sources to writing the research paper and writing about literature. This edition of the book has been adapted from the fifth edition,...

This does not imply that it cannot teach student something general about how to write, to read and to use information sources. It implies, however, that the different nature of different kinds of writing in different disciplines is taken into account. Secondly, it recognizes the social character of writing and seeking information.
