There are over 425 works by Wright on this list, which can be sorted individually by each column.– Frank Lloyd Wright, 1955 Facebook Twitter Over the course of his 70-year career, Wright became one of the most prolific, unorthodox and controversial masters of 20th-century architecture, creating no less than twelve of the Architectural Record's hundred most important buildings of the century. Few figures are as ever-present in American architecture as Frank Lloyd Wright, a visionary whose work continues to serve as an inspiration, the bedrock upon which much of modernist architecture ... Fallingwater is one of Frank Lloyd Wright's most widely acclaimed works, designed for the family of Pittsburgh department store owner Edgar J. Kaufmann. The key to the setting of the house is the waterfall over which it is built, causing many scholars to consider Fallingwater as Wright's "finest work and epitome of organic architecture" (Herbert 54). - Work Of Frank Lloyd Wright
